

TAFAMIND PLANNER

Niyyah · Yaqiin · Amal | A practical intention, belief, action & reflection system

WELCOME

A simple system for turning meaningful intentions into consistent daily practice.

THE 3-PILLAR METHOD

NIYYAH — define what you want and why it matters.

YAQIIN — notice and strengthen your belief through daily reflection.

AMAL — turn the goal into repeatable actions and track what you actually do.

QUICK START

1. Open Goals (Niyyah) and add your goals. Mark ONE goal as Primary.
2. Open Actions Tracker and set Month starting to the first day of your month. Add up to 20 habits/actions.
3. Each day, enter 1 for done or 0 for missed. Leave future days blank.
4. Use Belief Tracker each day for a 1–10 belief score and one honest note.
5. Use Manifest Board for Ask, Gratitude and Receive entries.

INPUT vs. CALCULATED CELLS

Blue text / pale blue cells = you type here.

Dark text / white cells = calculated or system-managed and are locked to protect formulas.

Sheets are protected (no password) — only the editable cells above can be typed into.

PRODUCT SETUP NOTES

This is an undated digital template. Set your month once in Actions Tracker; linked daily sheets update automatically.

Keep a master copy. For resale, distribute a clean duplicate with your own brand, license terms and support details added.
